ADP-FIT-CZ

USD\$ 392.82

The ADP-FIT-CZ allows you to turn a demo bike into a fitting one, so as to find the most appropriate length for the intended biker.

ADP-FIT-XYA

USD\$ 158.91

Each manufacture has their own ways when it comes to stem measurement. Use the ADP-FIT-XYA to convert the polar coordinate system into the standard coordinate system, and then refer to the chart to find the right measurement.

ADP-FIT-SA

USD\$ 353.53

Use the stem adjuster to provide fitting service for the biker on his or her own bike to earn the right stem length (50mm~150mm) and angle (± 20 degrees).

STEP:

- Find the closest X-value data.
- Find the adjacent Y-value and choose the appropriate model.
- Use the spacer to reach the appropriate height (Y-value)

CORRECTION VALUE:

Whenever a 3mm-tall spacer is applied, the X-value lessens by 1mm.

Commercial stems are analyzed from the platform, and choose the appropriate Fouriers model.

ROAD HANDLEBAR

Design for Di2 cable hole

As the inner Di2 cable is getting prevalent, FOUERIERS make change for all types of road bike handlebar, we drill the hole for Di2 inner cable to make the handlebar look more clean.

NEW

HB-RA013-A6-G

USD\$ 81.64

The handle angle is folded inward by 10 degrees with the lower handle turned outward by 10 degrees, regardless of the upper and lower handle with the new generation of 12-speed shift handle inward bending characteristics more in line with ergonomics.

New handle angle design allows for more comfortable riding.

F-LAI-J Folding Chair high-back moon chair has a wider seat distance and more height. Based on the belief of environmental protection, it uses recyclable aluminum alloy pipes and HUB, which can bear a maximum weight of 150 kg. Mobile phone bags, beverage bags and treasure storage bags are prepared on both sides and in front of the chair cloth. We also provide non-slip Velcro straps, which can be used to hang your chair on bicycles and backpacks. It is easy to carry wherever you go, allowing you to rest more relaxed and enjoy the scenery freely.

UNFOLDED DIMENSIONS: 540(W) x 900(H) x 660(D) mm
